Room Parent Covenant

Room Parents play a critical role in the success of our school volunteer program. In many ways, they represent the very backbone of our Parent Volunteer Program by being fully committed to assisting their classroom teacher and playing a key liaison role with their grade level parents. Room Parents serve to inspire others by their example, participating at each school event such as the Annual Fund Dinner, Jog-a-thon and Annual Golf Classic. They support the school with a wonderful gift of time, talent and---as God provides---financial support. Additionally, Room Parents attend all three Room Parent meetings during the school. If this is a job you would like to do, please be sure to complete this application form.
